### About Me

I am a final year Computer Science Engineering student at PSNA College of Engineering and Technology with a CGPA of 8.3 till 7th Semester. I have a strong interest in web development and have experience in HTML, CSS, JavaScript, and Python. Apart from my technical skills, I am a highly motivated and dedicated individual with excellent problem-solving abilities.

### Projects

#### • GYM MANAGEMENT SYSTEM

A gym management system streamlines gym operations and member management, improving efficiency and engagement.

#### • COLLEGE ONLINE GRIEVANCE REDRESSAL SYSTEM

An online grievance redressal system for colleges enables students and faculty to submit and track grievances, promoting efficient conflict resolution.

#### • WEATHER WEBSITE

A weather website offers real-time weather info and forecasts for locations, helping users plan activities based on current conditions.
